Extract of letter no. V.C. 797 dt. 10/2/50 from the Vice Chairman, Mysore Iron & Steel Works etc. Bhadravati requesting sanction to the grant of charge allowance, among others, to S/Sri K. Chikkanarayanaswamy, Additional Dir. of Fin. & Coms. and S. Nanjundappa, Director of Mysore Iron and Steel works.

1) Submitted for perusal. Action re grant of charge allowance to S/Sri A.T. Kempanna, Janab C. Abdul Jabar and Sri A.G. Bandi Gowda is being taken in the D & C Branch as indicated in para 3 of the P.U.D.

2) The work of Sri Balakrishna, Vice Chairman, Mysore Iron and Steel Works etc. has, on his deputation to U.S.A. (Vide G.O. dt. 25/7/49) been distributed among the Officers as indicated in Para 1 of the P.U.D.

3) Art 95 M.S.R. lays down that "When an Officer is appointed to be in charge of the current duties of an Office in addition to his own duties and the charge entails a substantial increase of responsibility and some additional work, he is entitled to a charge allowance, to be fixed by the Authority competent to appoint him as such, not exceeding 1/10 of the pay of the Office."

4) It is seen that the work of Sri Bala

Krishna is distributed among various officers of whom Sri Chikkanarayanaswamy is placed in charge of the duties of Dir of Sandal Oil factory + Govt Electromatic Factory while Sri Hanumanthappa is in charge of the duties of Vice Chairman, Mysore Iron and Steel Works

ii) As regards the officers placed in charge of the duties of Govt aided Concerns, such as Mysore paper Mills, They are making a Contribution towards the chairmans salary and they (Concerns) themselves will have to bear the allowance to be paid to these officers and action in this behalf is being taken in the IFC Branch. But a difficulty arises in regard to fixing of the charge allowance payable to Sri Chikkanarayanaswamy and Sri Hanumanthappa. Sri Balakrishna is paid Rs 1400/- P.M. for the combined charge of the various duties held by him. His work has been parcelled out and distributed ~~as stated~~ above between Sri Chikkanarayanaswamy and Sri Hanumanthappa. A charge allowance of 1/10 of the pay of the appointment is admissible only when one officer is placed in entire charge of the duties of another officer and In the present case two officers are placed in charge of the duties of the office of Sri Balakrishnaiah. It is not in conformity with Art 95 FR & SR to admit

Serial No.	
	The two Officers into a charge allowance of 1/10 of the pay of the appointment each. Moreover, when the work of an Officer is evenly distributed among several Officers it cannot, perhaps, be held that the additional charge entails increased responsibility and work. In this view no charge allowance is perhaps admissible to these two Officers.
	6) Sri Chikkanarayanaswamy is placed in charge of the duties of Sandal oil factory etc and a D A of Rs 120/- P.M is attached to this post. Sri Balakrishna claims this DA on the ground that he has been attending to Sandal oil work even during deputation.
J	Under G.O Nos: 71777-7847/S & A 100-46-2 d) 5/5/47 Sri Chikkanarayanaswamy may perhaps lay claim to this allowance for having been placed in charge of this special work. Sri Bala Krishna also may also claim this allowance under Art 57 M.S.R; provided the work to which he is deputed is considered not outside the regular line. It is for orders as to which of these Officers should get the allowance of Rs 120/- P.M. attached to Sandal Oil work.

Letter no V.C.20 of 11/4/50 from the Vice Chairman, Mysore Iron and Steel works ltd forwarding a report in the matter.

(12) The Vice chairman Mysore Iron and Steel works makes the following proposals re grant of charge allowances to officers who were placed in charge of his work during his absence on deputation :—

i) grant of a charge allowance of Rs 140/- (being 1/10 of the pay of Vice Chairman, Mysore Iron works) to Sri Ramachandrappa.

ii) grant of a charge allowance of Rs 120/- P.M attached to the charge of Sandal oil factory to Sri Chick Narayanaswamy who was in additional charge of Sandal oil factory

iii) Continuance of the allowance of Rs 120/- P.M attached to the Sandal oil factory work to the Vice Chairman during his absence on deputation as he attended to special work in connection with Sandal oil factory while abroad.

(13) The admissibility or otherwise of granting charge allowances to the above officers has been discussed in paras 3 to 6 of the note.

While Sri Balakrishna is ~~[illegible]~~ Vice Chairman, Mysore Iron Works, Chairman paper Mills, Chairman Provisional Board of Directors of Bhyan Corp, Dy of Sandal oil factories etc and is given a pay of Rs 1600/- for the combined charge. It is thus seen that Sri Ramchandrajaffa has not been placed in entire charge of the duties of Sri Balakrishna and the present proposal to grant him a charge allowance of Rs 140/- (or 1/10 of the pay given to Sri Balakrishna viz Rs 1400/-) appears to present an anomaly and to be irreconcilable with Art 95 M.S.R.

(15) The other two proposals viz grant of the DA of Rs 120/- P.M attached to the charge of Sandal oil factory both to (1) Sri Bala Krishna while abroad and (2) to Sri Chickmagalur Swamy for being placed in charge of the Sandal factory during the former's ~~dep~~ absence on deputation, appear to be equally anomalous, as (16) it is not also known whether Sri Balakrishna was, during deputation, given any extra remuneration by way of deputation allowance. In that connection the Administrative Branch may have to furnish information re the terms of his deputation.

20) Art 95 M.S.R. does not contemplate an arrangement like the present one in which more than one officer is placed in charge of the current duties of an office. It is not therefore applicable in the present case. [This is a peculiar case where, actually, five different persons have been looking after the current duties of an office and, in the absence of any rules governing such an arrangement, the persons involved have to be compensated in some more or less arbitrary manner under special orders of Government.] The five persons who looked after Sri Balakrishnan's duties during the period of his deputation abroad are.

	Duties attended to
1. Sri S. Munivenkatappa	Vice-chairman, Mysore Iron Works & Chairman, Mysore Kirloskar.
2. Sri K. Chicknanjanaswami	Director of Sandalwood Factories including the Govt. Bichromate Factory

The following arrangement is suggested:

1. To treat Sri P. R. Balakrishnan as on deputation during the period, and to suspend his lien on his various charges.

2. To debit his salary for this period to the preliminary expenses of the ~~various concerns and~~ projects on behalf of which he was sent abroad. (The proportions will have to be fixed on receipt of his deputation report which has not been received yet.)

23) The principle that an officer who looks after the duties of another should be compensated adequately is based on the theory that the additional work is of some magnitude, and causes real strain and extra work. It could hardly be the case here where an officer's work is shared by five persons. A fifth of an officer's work cannot obviously be an insignificant portion at least sizeable enough to be called Extra heavy work for another officer to be in charge of. In these particular cases, the 'charges' are of being 'Directors' or 'Chairman' of one Industrial Concern or another, and the actual work turned out as a result of being in such charge being — a) attending or presiding at Board meetings once in a way, b) attending routine correspondence & statements

NOTE—Contn. Sheet

and c) very rarely, dealing with important matters at Board level, and sending up proposals to Govt. The "Extra" work is therefore nominal or not real, and does not merit grant of any allowance; and it is not necessary for Govt. to grant allowances whenever someone goes on leave or is placed on other duty, to the officer who are placed in nominal charge.

24) Looked at from another point of view, if A goes on leave abroad, and B is placed in additional charge, it could be allowed either 20% of his minimum salary as Cy. allowance, or 10% as charge allowance, of course the condition precedent that B does not heavily add to the work of B, being there. The Board Extra Cost to Govt. would be, in addition to his salary, 10% or 20% as the case may be. If, in the present proposals, Each of the five officers is to be given 20% or more! Three officers are to be given 20% each (of their pay) and two to be given Rs 250/- each!! On this basis the Board would be:—

1. For the three officers: Rs 160/-, plus 160/- plus 160/-
2. For the other two: Rs 250/- plus Rs 250/-

in all Rs 980/-!!

If just one officer were in charge

Serial No.

for the working of Sri. Balakrishnan, the Extra Cost would have been, by way of charge allowance, 10% of Rs 7400/- or Rs 740/- only. There is no case for any acting pay at all here.

25) My opinion that no Extra allowance need be paid to any of these five officers at all for the reasons stated above, but if Govt. so feel that some recompense should be made for the "Extra" work, the utmost that could be done according to rules, and on justifiable grounds to, would be to pay an allee of Rs 740/-, to be shared amongst all the five.

26) It should not Cost Govt. any more than it would have, if the work had been looked after by one officer, instead of five. He to five did not look after all of his work.

that provided there are enough persons to share the charges, there is no reason why the amount of the pay of the absentee should itself be not even enough to satisfy all of them. RE: ADDITIONAL CHARGE OF THE DUTIES OF THE DIRECTOR OF SANDALWOOD OIL FACTORIES.

I wish to state that as per orders of Government conveyed in G.O.No.D.3190-4/ I & C.91-49-5 dated the 21st October 1949, I have taken over charge of the above Office from Sri P. R. Balakrishnan, B. Copy of letter No. VC797 dated 10th February, 1950 from the Vice-Chairman, Mysore Iron and Steel Works & Director of Metallurgical and Chemical Industries, Bhadravati, addressed to the Development Secretary to Government, Bangalore.

Adverting to Government Order No. D/536-7/I & C 257-46-23 dated 25th July 1949 deputing me to U.S.A., U.K., and the Continent, I write to state that as per orders of Government, during my deputation abroad, the following officers were in additional charge of the several concerns under my control:

Sri B.T. Kempanna, B.A., LL.B., Secretary to Government, Development Department, Bangalore.	Director, Fertiliser Works.	From Afternoon of 21-10-1949 to after-noon of 17-1-1950.
	Chairman, Mysore Chemicals & Fertilisers Ltd.	From aftern-noon of 21-10-1949 to after-noon of 25-1-1950.
Sri K. Chickanarayanaswamy, B.Sc., Additional Director of Industries and Commerce, Bangalore.	Director of Sandal Oil Factories including the Govt. Dichromate Factory.	From Afternoon of 21-10-1949 to afternoon of 17-1-1950.
Sri S. Muninanjappa, B.A., B.L., Director, Mysore Iron & Steel Works, Bhadravati.	Vice-Chairman, Mysore Iron & Steel Works, Bhadravati.	From Afternoon of 21-10-1949 to forenoon of 18-1-1950.
	Chairman, Board of Directors, Mysore Kirloskar Ltd., Harihar.	From Forenoon of 10-11-1949 to afternoon of 17-1-1950.
Janab C. Abdul Jabbar, B.A., Retd. Chief Conservator of Forests and Director of the Board of Paper Mills.	Chairman, Mysore Paper Mills.	From Afternoon of 21-10-1949 to afternoon of 17-1-1950.
Sri A.G. Bandi Gowda, B.A.,B.L., Chairman, Mysore Sugar Co., Ltd., Bangalore.	Chairman, Shimoga Sugar Co., (in formation), Shimoga	From afternoon of 21-10-1949 to afternoon of 17-1-1950.

In respect of Government Industrial concerns, for the additional charge held by the officers noted above, it is recommended that they may be sanctioned the usual additional charge allowances permissible under Rules.

In respect of Government aided-industrial concerns, as the Mysore Paper Mills, and the Mysore Chemicals & Fertilisers, Ltd., are making a contribution towards Chairman's Salary every month, the respective

Boards may be requested to forward their proposals regarding the allowance to be paid to the gentlemen who held the additional charge. The provisional Board of Directors of the Shimoga Sugar Co., (in formation) may similarly be requested to forward their proposals regarding the allowance they would recommend for the Chairman of the Mysore Sugar Company for the additional charge held by him.

In this connection I also wish to bring to the notice of Government that during my deputation I continued to do work connected with Sandal Oil Factory studying the market in U.S.A., England and Germany, Switzerland and France. The various reports sent to Government by me as well as the Trade Commissioner in London on the subject and the price revisions effected in U.S.A., and U.K., markets raising the price of oil in these countries by about 2 dollars and 7 shillings per lb. respectively will show that I have been giving z attention to Sandal Oil Factory work throughout my deputation, in addition to my other duties connected with the Fertiliser Scheme, Iron and Steel Works, etc. The Duty Allowance of Rs. 120/- per mensem sanctioned to me for the additional duties of Director of Sandal Oil Factories has been stopped for the period. In view of the facts explained above I request that I may be treated as having continued as Director of Sandal Oil Factories on special duty, while normal duties here were attended to by the Additional Director of Industries & Commerce and that my allowance for the period be also continued and ordered to be paid as 'Special Duty' allowance, without affecting the charge allowance due to the Additional Director.

I request the favour of early action in the matter.

ORDER No. FL. 7777-7847—S. & A. 160-46-2, DATED BANGALORE, 5TH MAY 1947.

Under the existing rules (Art. 96 of Mysore Service Regulations) no allowance is admissible to an officer, who is placed in charge of the duties of an additional office, the pay of which is not more than that of his own substantive office.

Dear Sir,

Subject: Charge allowance to Sris B.T. Kempanna, Chickanarayanaswamy, Muninanjappa and others for having held additional charge of the duties of the several concerns under the control of the Vice-Chairman, Mysore Iron and Steel Works.

With reference to your letter No.6283/CB dated the 19th ultimo, stating that nothing more than a Charge Allowance calculated at 1/10 of the pay of the post of Vice-Chairman, Mysore Iron and Steel Works, is admissible for distribution among all the officers who shared my work during my absence and asking me to suggest an equitable distribution of the amount, I write to state that as five different officers were in additional charge of my duties, the case will have to be treated as a special one. Moreover the Joint Stock Companies under my charge, viz., the Mysore Paper Mills, Ltd., and the Mysore Chemicals & Fertilisers, Ltd., are making separate contribution to Government towards the salary of the Managing Director and Chairman. Under the circumstances, it would neither be equitable nor practicable to distribute 1/10 of my salary amongst all the five officers for the additional charge held by them. Therefore I reiterate the recommendations contained in my letters No.VC 797 dated 10th February 1950 and No.VC 20 of 11th April 1950.

I also renew my request for the continuance to me of the allowance of the Sandal Oil Factory during my deputation period as "Special Duty Allowance" as I have done special work connected with the Sandal Oil Factory during that period in connection with the revision of prices for Sandalwood Oil

MYSORE

and the study of the market in U.S.A., U.K., and the Continent, which has greatly increased the return from Sandalwood Oil Sales.

The whole question of allowances to the officers concerned for the period has to be considered specially on its peculiar merits and I request that it may be treated accordingly.

Early orders are solicited.

Yours faithfully,
